

Tangled Holiday Greetings

I found blank cards with envelopes at the local craft store. I used a black Zentangle Trading Card and tangled snowflakes (aka 'zenflakes'*) with Gelly Roll pens.

Glue the trading card to the blank card OR simply cut two small slits in the front of the blank card and slip the trading card into the slits. A great card AND gift in one!

*Zenflake patterns from "Yoga For Your Brain" by Sandy Bartholomew at www.beezinkstudio.com.

Happy Holidays!
